

# God's Love Letter to you

EN

*My child,*

You may not know Me, but I know everything about you. Even the hairs on your head are numbered. You live, move and exist in Me. Even before I made the world, I already chose you. You are not a mistake. You are beautifully made. My desire is to shower you with My love. Simply because I am your Father and you are My child. I give you much more than an earthly father could give, because I am the perfect father. I think about you countless times. If you seek Me with all your heart, you will find Me. Rejoice in Me and I will give you all the desires of your heart, because I have put those desires in you. I am the one who encourages you the most and I am also the Father who comforts you in all your sorrows. I am your Father and I love you as much as My Son, Jesus. Because in Jesus I showed My love for you. He is the exact image of Me. He came to show that I am on your side, not against you and to tell you that I no longer look at your sins. Jesus died so that we can get back together. His death was the ultimate expression of My love for you. I gave up everything I loved so that I might win your love. When you welcome Jesus, you also receive Me and nothing will ever separate you from My love again. I have always been Father and I will always remain Father. My question is, "Do you want to be My child?"

*Your Father, Almighty God.*

Every religion somehow communicates that all people sin and need forgiveness. Religion always points us to our sins, but Jesus kept pointing people to the Father. He was very relational and came with not only a message of forgiveness, but also of reconciliation. He always approached people with open arms and everyone could freely come to Him. He did everything necessary to restore our broken relationship with God the Father.

Although we deserve death for our sins, Jesus died voluntarily, lovingly and sinlessly in our place. And three days later He rose from the dead! Thus He not only paid the price to redeem us from the power of sin, but also overcame death so that we could spend eternity in God's presence!

In the Bible we read in the Gospel of John (chapter 14 verse 6) that Jesus is the way and the truth and the life and that man can only come to the Father through Him. Through the ages, this "Good News" has proved itself to be the universal Truth that works, despite the sometimes very offensive church history.

Do you want to get to know the Father of creation? He is waiting for you with wide open arms. Are you ready to receive God's gracious gift, Jesus Christ? You can do that right now, from your heart.

Inviting Jesus Christ to live in you through His Spirit is the most important step you can take in your life. But building on this new beginning is no less important. How do you do that?

- You can for example spend time with God every day. It doesn't have to be long, but it is good to develop a habit of talking (praying) with Him and reading the Bible.
